INTERNET ACCESS

Remember to connect your devices while on campus. For instructions to connect & register your devices, visit:
studenttech.nmsu.edu/connect-your-device

- For accessing sensitive data online, connect to **AggieAir-WPA2**
- For other internet needs, connect to **AggieAir**
- For guests visiting the NMSU campus, connect to **AggieGuest** (stays connected for 60 minutes)

AggieAir and Direct Ethernet
Available in Garcia, Pinon, Juniper, Chamisa, Rhodes Garrett -Hamiel (RGH), & Vista Del Monte (VDM).
Contact Telephone Services for wireless routers.

Housing Connections
NMSU residences offer free internet connections with internet speeds of up to 10 MB.

NMSU's Virtual Private Network (VPN)
Use VPN to access a secure network & restricted services while off campus. **vpn.nmsu.edu**

NMSU Eduroam Roaming Wireless Network
Visit **help.nmsu.edu** for steps on connecting.

CYBERSECURITY

Report phishing attempts and other online scams to abuse@nmsu.edu.

Cybersecurity Tips:
inside.nmsu.edu/infosec/security-awareness
- Change default passwords for streaming, gaming, or IoT devices connected to WiFi.
- Please secure any device connected to campus WiFi. See device manual for instructions.
